

Applying to Exhibit at Anteros

Anyone with connections in Norfolk, Suffolk and Cambridgeshire may apply to exhibit at Anteros.

You can apply by downloading an application form from our website and emailing it to our Gallery Administrator at gallery@anterosfoundation.com

Applications are assessed by the Anteros Curatorial Committee who meet every two to three months. The committee will be considering the following questions:

Will the artist or artworks bring new audiences to Anteros?

Will the artist or artworks appeal to our current audiences?

**Could an educational experience be incorporated into, or delivered alongside this show?
(i.e. a workshop or artist's talk?)**

What effect will this show have on Anteros' reputation?

Will the artwork sell?

Applications must answer yes to at least two, preferably three of the questions listed above.

Successful applicants will be offered a two-week or one month exhibition at a time suggested by the committee. Dates are likely to be offered to coincide with, or to avoid clashes with, other events and activities going on at Anteros or in Norwich at that time.

If you have a strong preference as to when you would like your exhibition to take place please mention this in your application and your wishes will be taken into account.
